

**Myths and Truth:  
Passing the State Court Interpreter Examination**

If you are thinking about taking the court interpreter certification exam in one of the 41 states that form part of the Consortium for Language Access for State Courts, then this workshop is for you. There are many myths and half-truths about this written and oral examination. Speaker Judy Jenner, who passed the Spanish examination in Nevada at the master level on the first try, will discuss myth and truth about requirements, the written exam, the oral examination, what you need to know before getting started, and how to prepare for this challenging set of exams.
